SUBJECT: K MART STORES OPENED IN 1995 WITHOUT CONTRACTS
CID 0002-00-00

The following Kmart stores were opened in 1995. As of today, they do not have any contracts entered.

PFD fixtures were ordered to these stores and if they were installed, the store needs to have a PFD(PLAN: KMT) contract. If the PFD has since been removed, the contract should not be in the store, but please advise Maureen of that type of situation. If a Kmart store has a PFD contract, it needs to have a CMFCT(PLAN: B) contract.

If tobacco fixtures were ordered for the new store, a Cost Share A contract needs to be entered to cover the cost of those fixtures.

Thank you for your assistance in updating the contracts in these stores. We realize some of them opened as late as November 16, 1995, but those contracts should be in by now. We would appreciate the contracts entered by December 28, 1995. If you have any questions, do not hesitate to contact Maureen, VM: 840947.

Sincerely,

Dennis
